

Give to Homes4NC and Help Your Business

Set yourself apart from the competition and show clients that you really care about your community by making a contribution to Homes4NC in their name. Some REALTORS® and housing industry partners have committed a certain amount for each of their closings; others make a contribution as a closing gift. Either way, your clients will see that you are an ardent supporter of helping those less fortunate in your community achieve the dream of homeownership.

“Giving \$5 per closing to Homes4NC is an easy way to support a worthwhile cause and show that you care about more than your commission check,” says NC REALTORS® president Danny Brock, whose company has contributed thousands of dollars from closings over the last three years. “When clients find out that you contributed on their behalf, you create more goodwill than any amount of advertising could ever buy you.”

Participating in the closing contribution program is a small gesture that makes a big impression on clients and prospective clients. And getting started is easy. Just complete the form below and fax to Diane Greene at 336-299-7872. For more information, call Diane at 800-443-9956.
